## Coilkleen Acidic Detergent Coil Cleaner

### Overview

Heavy duty foaming cleaner for use on aluminium coils. Effective rust remover.

### Description

Coilkleen is an acidic detergent coil cleaner. Its expanding foam action cleans aluminium finned air-cooled condensers easily and effectively. Ideal for use on condensers located in coastal and aggressive industrial environments that require descaling. If light to moderate cleaning is required, **Coilox** is recommended. Refer product bulletin instructions. For tips on rust removal, please refer to the HydroBalance FAQ's.

### Directions for Use

Dilute 250mL of Coilkleen per 1L water. Using a low pressure sprayer, spray until penetration occurs. Leave for several minutes to allow the foam to expand. Rinse thoroughly with water. If necessary, rinse with bicarbonate of soda to neutralise. DO NOT USE INDOORS.

### Pack Size

5 Litres

### Safety Information.

*Corrosive.* Avoid contact with skin and eyes. Wear protective eye wear and gloves when mixing or using.  
*First Aid:* For advice contact the Poisons Information Centre. Phone 131126 (Australia) or a doctor at once. If swallowed do NOT induce vomiting. If in eyes hold eyelids apart and flush the eye continuously with water until advised to stop by Poisons information centre or doctor. If contact with skin or hair occurs, remove contaminated clothing and flush skin or hair with running water.

Refer to the MSDS for further information.
