

Wanda Wash Multi-purpose Detergent

Overview

Economical and easy-to-use multi-purpose detergent. Cleans and deodorises. Non-toxic.

Description

Wanda Wash is a concentrated universal cleaner for use on all dirty surfaces, including air filter material. A specially formulated, biodegradable product, Wanda Wash contains a complex blend of phosphates and surfactants. Wanda Wash is also useful for cleaning external paintwork, vehicles detailing, cleaning cloth seats or to shampoo carpets.

Directions for Use

For moderate cleaning, dilute 50mL of Wanda Wash per 1L of water. For heavy duty cleaning, dilute 100mL of Wanda Wash to 1L of water. Rinse thoroughly with water after use.

Pack Size

1L bottle

Product Tips

If cleaning mould growth and dealing with foul odours, consider post treatment with 4M, a broad-spectrum multi-pirpose biocide. Refer to product bulletin for instructions.
