### Pro-bono water treatment

#### *Visibility WA*

HydroChem provides pro-bono water treatment services to support the work of VISability WA, a not-for-profit group working with vision impaired people across Western Australia.

### Disadvantaged worker community engagement

#### *The Bridge*

We host adolescents and young adults with cognitive challenges in our Victorian head office on a contract basis in association with disadvantaged employment agency, The Bridge. The charity provides training and support to assist young people with their transition into the workforce.
